

Zevra Therapeutics to Present at 35th Annual Roth Conference

March 6, 2023 12:30 PM EST

CELEBRATION, Fla., March 06, 2023 (GLOBE NEWSWIRE) -- Zevra Therapeutics, Inc. (NasdaqGS: ZVRA) ("Zevra" or the "Company" and formerly KemPharm, Inc.), a rare disease therapeutics company, today announced that Richard W. Pascoe, the Company's Chief Executive Officer, will participate in a fireside chat at the 35th Annual Roth Conference on Monday, March 13, 2023, at 2:00 p.m. PT. In addition, Zevra management will be available for in-person or virtual one-on-one investor meetings during the conference from March 12-14.

Pascoe will discuss the Company's unique, data-driven clinical, regulatory, and commercialization strategies to advance rare disease therapies to address areas of unmet need. The fireside chat will be held in-person and available online Monday, March 13, 2023, from 2:00-2:25 p.m. PT. The presentation will be accessible [here](#) and then on-demand for 90 days. It will also be available under "Events & Presentations" on the Investor Relations section of Zevra's website at investors.zevra.com.

Visit Zevra's new corporate website at www.zevra.com to learn more.

About Zevra

Zevra Therapeutics is a rare disease company melding science, data, and patient need to create transformational therapies for diseases with limited or no treatment options. With unique, data-driven clinical, regulatory, and commercialization strategies, the Company is overcoming complex drug development challenges to bring much-needed therapies to patients.

Caution Concerning Forward-Looking Statements

This press release may contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements include all statements that do not relate solely to historical or current facts, including without limitation upcoming events and presentations, and which can be identified by the use of words such as "may," "will," "expect," "project," "estimate," "anticipate," "plan," "believe," "potential," "should," "continue," "could," "intend," "target," "predict," or the negative versions of those words or other comparable words or expressions, although not all forward-looking statements contain these identifying words or expressions. Forward-looking statements are not guarantees of future actions or performance. These forward-looking statements include statements regarding our upcoming presentations and events. These forward-looking statements are based on information currently available to Zevra and its current plans or expectations. They are subject to several known and unknown uncertainties, risks, and other important factors that may cause our actual results, performance, or achievements to be materially different from any future results, performance, or achievements expressed or implied by the forward-looking statements. These and other important factors are described in detail in the "Risk Factors" section of Zevra's (formerly KemPharm) Annual Report on Form 10-K for the year ended December 31, 2021, as updated by Zevra's (formerly KemPharm) Quarterly Report on Form 10-Q for the three months ended September 30, 2022, and Zevra's (formerly KemPharm) other filings with the Securities and Exchange Commission. While we may elect to update such forward-looking statements at some point in the future, except as required by law, we disclaim any obligation to do so, even if subsequent events cause our views to change. Although we believe the expectations reflected in such forward-looking statements are reasonable, we cannot assure that such expectations will prove correct. These forward-looking statements should not be relied upon as representing our views as of any date after the date of this press release.
